

Redemptoristine Nuns

Praying for the Church and for the world

PRAY

The celebration of the Eucharist and communal praying of the Liturgy of the Hours are central to our lives. We support our Redemptorist Fathers and Brothers by our prayer. Each exercise of the day is in memory of some mystery in the life of Christ.

The Redemptoristine Nuns were founded in Italy in 1731 by Sr. Maria Celeste Crostarosa and St. Alphonsus de Liguori. We are a contemplative Order, following the Redeeming Christ, through a life of prayer and sacrifice. We seek to spread the graces of redemption by becoming a "Living Memory" of Jesus Christ. We came to Liguori, Missouri in 1960.

WORK

We earn our living by sewing ceremonial capes for the Knights and Ladies of the Holy Sepulcher and Redemptorist habits.
